# About aSa Printer and Tag Solutions

---

aSa supplies the rebar tags, printers, and business forms to make your company's information look its best – around the office, at the jobsite, or in your customers' hands.

Hard-copy printouts — whether they are order reports, rebar bundle tags, employee payroll checks, or customer invoices — are critical to your operation. aSa provides the printing technology and paper media that allow you to create professional-quality documents efficiently and inexpensively.

Plus, there's always a friendly voice when you call to order!

## Helping you work smarter

---

### Convenient Ordering

- ✔ Order from friendly, professional staff. Whether you're buying a new printer or ordering forms, you'll be assisted by a knowledgeable, courteous specialist.
- ✔ Never forget to order. We'll proactively contact you before each big printing run to see if you need additional tags or forms.

### Rebar bundle tags

- ✔ Take advantage of volume discounts. aSa purchases huge quantities of tags, which allows us to pass the savings along to you.
- ✔ Never run out. aSa keeps an inventory of the most popular tags on-hand. If you're running low, we can have you replenished by morning.
- ✔ Get everything you need in one package. We ship your printer ribbons in the same box as your tags.
- ✔ Order the tags *you* want. A variety of colors and sizes are available.

### Tag printers

- ✔ Get started easily. Our IT staff checks and configures each printer before it is shipped, so you can get up and running quickly.
- ✔ Protect your investment. Minimize downtime by taking advantage of aSa thermal printer maintenance plans that offer on-site next business day service.

### Business forms

- ✔ Whether you want generic laser forms or forms customized with your logo and color scheme, we can meet your needs.

Contact aSa for:

- Shipping ticket forms
- Invoice forms
- Customer and payroll checks
- Bar bend reference sheets
- Plus more!

# Experience these key benefits

## Work with a company that knows your business

Print shops and paper manufacturers serve hundreds of industries. aSa serves yours. We bring a level of expertise you won't find from other tag suppliers.

## Count on quality

We vigorously test the material we supply to ensure durability and readability in adverse shop and field conditions.

## Experience fast, quiet printing

Print up to 60 tags per minute with minimal background noise. We have years of experience with the hardware and tag material that we supply, so your setup will be right ... right out of the box.

## Be colorful

If you use color to code your material by job, delivery, or other criteria, we supply preprinted tags with color stripes on the front and solid color on the back. We also supply hardware and material for next generation color ink jet tags.

## Don't get stuck

We keep an inventory of extra tags on hand at our headquarters. If your supply runs low, just give us a call!

## Market your company

Yes, we can preprint your logo and contact details on rebar tags! Every bundle that goes to the field is an opportunity to promote your business.

aSa supplies industrial grade thermal printers preconfigured for printing tags from our system. We offer maintenance plans that include on-site next day service to minimize downtime if you have an issue. For your convenience, each box of aSa tags ships with the corresponding printer ribbon.

We offer plain white tags; bright yellow tags; and striped tags in 15 colors. We also supply color ink jet tag material and printers. Contact aSa for all your business forms and checks.
